Figure 1 shows a rectangle with vertices labeled 1, 2, 3, and 4. The rectangle is divided into four triangles by two dashed lines. The top-left triangle is labeled 1, the top-right triangle is labeled 2, the bottom-left triangle is labeled 3, and the bottom-right triangle is labeled 4. The lengths of the sides are: top side 17.706, bottom side 17.751, left side 12.159, and right side 10.069. The dashed lines are labeled 10.069 and 21.519.
